

Instruction for authors

Symposium GIS Ostrava 2013 – Geoinformatics for City Transformations

Dear authors,

Thank you that you decided to contribute to the Symposium GIS Ostrava 2013 – Geoinformatics for City Transformations. But before you send the contribution, devote, please, attention to the following instructions. Their aim is to simplify and accelerate the process of contribution and then the Symposium proceedings compilation.

Important dates

Full paper and poster submission due:	October 12, 2012
Notification of paper and poster acceptance:	December 1, 2012
Camera ready full paper and poster due:	December 16, 2012
GIS Ostrava Symposium	January 21-23, 2013

Information

All reviewed and accepted papers delivered not later than December 16, 2012 will be published in the electronic symposium proceedings on CD/DVD or in some reputable journal (i.e. Annals of GIS, Geoinformatica An International Journal, Transactions in GIS) indexed in Scopus or Web of Science – under negotiation.

The printed proceedings will be issued shortly after the symposium. The proceedings will be sent for registration in **Web of Science - Conference Proceedings Citation Index**, Thomson Reuters.

Only original articles can be published in the conference proceedings or in an journal.

Discounted author fee can be applied to only one author per accepted paper and if the full paper is submitted not later than December 16, 2012.

Paper's recipient: gisostrava@vsb.cz

Format of paper

For paper formatting, please, use the appropriate template available on <http://gis.vsb.cz/gisostrava>. Please, take into consideration the black-and-white print of the conference proceedings.

Template for paper

Template is available in MS Word format. Papers are accepted only in MS Word format.

If you cannot use this format, contact the secretariat (gisostrava@vsb.cz).

The recommended range is to 10 pages (A4). If you need extra pages, contact the secretariat (gisostrava@vsb.cz).

Presentation

Length of the presentation and order of presentations will be determined by the section chairman.

Instructions for authors of poster

Authors of posters should send their poster and full text not later than October 12, 2012 (full text will be reviewed and published in the conference proceedings).

Posters will be presented on January 21 – 22, 2012.

Poster size available for individual authors max 1.5 x 1 m (height x width)

Author's statement (copyright)

We ask authors to complete a copyright declaration, the template is available on <http://gis.vsb.cz/gisostrava> (author_statement_GIS2013.doc).

In the case of unclearness, please, write on gisostrava@vsb.cz

Thank you for your compliance with these guidelines.

Organizing committee of the Symposium GIS Ostrava 2013
