

Instruction for authors

Symposium GIS Ostrava 2015 – Surface models for geosciences

Dear authors,

Thank you that you decided to contribute to the Symposium GIS Ostrava 2015 – Surface models for geosciences. But before you send the contribution, devote, please, attention to the following instructions. Their aim is to simplify and accelerate the process of contribution and then the Symposium proceedings compilation.

Important dates

Full paper and poster submission due:	October 20, 2014
Notification of paper and poster acceptance:	December 1, 2014
Camera ready full paper and poster due:	December 20, 2014
GIS Ostrava Symposium	January 26-28, 2015

Information

All reviewed and accepted papers delivered not later than December 20, 2014 will be published in the electronic symposium proceedings on CD/DVD.

Only original articles can be published in the conference proceedings.

Discounted author fee can be applied to only one author per accepted paper and if the full paper is submitted not later than December 20, 2014.

Paper's recipient: gisostrava@vsb.cz

Format of paper

For paper formatting, please, use the appropriate template available on <http://gis.vsb.cz/gisostrava>. Please, take into consideration the black-and-white print of the conference proceedings.

Template for paper

Template is available in MS Word format. Papers are accepted only in MS Word format.

If you cannot use this format, contact the secretariat (gisostrava@vsb.cz).

The recommended range is to 10 pages (A4). If you need extra pages, contact the secretariat (gisostrava@vsb.cz).

Presentation

Length of the presentation and order of presentations will be determined by the section chairman.

Instructions for authors of poster

Authors of posters should send their poster and full text not later than October 20, 2014 (full text will be reviewed and published in the conference proceedings).

Posters will be presented on January 26 – 28, 2015.

Poster size available for individual authors max 1.5 x 1 m (height x width)

Author's statement (copyright)

We ask authors to complete a copyright declaration, the template is available on <http://gis.vsb.cz/gisostrava>.

In the case of unclearness, please, write on gisostrava@vsb.cz

Thank you for your compliance with these guidelines.

Organizing committee of the Symposium GIS Ostrava 2015
